

SHOSHONE HEAD START SCHOLARSHIP APPLICATION

Please answer the following questions. Use an additional page to complete your answers, if necessary.

1 How has Head Start affected your life or your child's life?

2. Describe someone who has influenced you, and how?

...

3. What outside interests do you have (hobbies, special talents, memberships or activities?)

4. What are your plans for the future?

Completion of items 5, 6, and 7 will increase the possibility of your being awarded the scholarship, but your application will be considered even if one or more of these items is missing.

5. Attach verification of your grade point average for the last year of school completed--either high school or college.

6. Attach verification of participation in at least one extracurricular activity.

7. Attach verification of participation in a community service organization or project.
